MR18/00576	I request any document AFP holds containing the terms s 22 Forensic Workstation or the s 22 Forensic Extraction System, as well as any associated but truncated terms, such as just s 22 or s 22 ' or other variants.
MR18/00577	A. Any reports provided to the full Air Services board regarding health and safety risks associated with PFAS contamination at airports between 2007-08 and between 2017-2018. 8. Any reports provided to the full Air Services board regarding financial risks associated with PFAS contamination at airports between 2007-08 and between 2017-2018.
MR18/00616	The full statement of reasons provided for all DFM proceedings from January 2016 to the present day. Please note I am also seeking the names of all officers named in all proceedings. excluding personal email addresses, signatures, personnel (PMKeyS) numbers and mobile telephone numbers, contained in documents that fall within the scope of a FOI request.

S 47F

MR18/00638

I write seeking information under the Freedom of Information Act, specifically the report of the taslforce into energy efficiency programs, presented to the Strategic Priorities and Budget Committee of Cabinet on 17 February 2010 and later released to the Royal Commission into the Home Insulation Program and lawyers associated with an ongoing Supreme Court of Victoria civil case (where the Commonwealth is represented). If this request is deemed more appropriate for another department or agency to act on, I would ask that it be transferred.

MR18/00643	Correspondence between Australia and Indonesia, and between Australia and the International Organisation for Migration (IOM), regarding the establishment of the Regional Cooperation Agreement (RCA). Correspondence may include letters, emails, phone call logs or transcripts or any other form of communication. Please limit this request to correspondence in 2000 and 2001.
MR18/00667	<p>I am seeking the information held by the Department as described in the following three items:</p> <ol style="list-style-type: none">1. For each of the 21 occupations in ANZSCO Minor Group '233 Engineering Professionals' (see Engineering Occupations of Interest below on page 3 of this request), and as described in Section 4 of the draft methodology paper:<ul style="list-style-type: none">- Full details of the scoring for all primary, secondary and other factors relevant to the Medium and Long-term Strategic Skills List (MLTSSL), including the number of points awarded for each factor and the weighting accorded to each factor.- The cut-off score(s) and number of factors which would have been required for each of these 21 occupations to be "recommended for further consultation through the traffic light bulletin".2. Full details of any other information which informed and influenced the Department's recommendation, based on initial labour market analysis, to make no change to the status of the 21 engineering occupations on the SMOLs. This includes any information presented to, or gathered by, the Department during its consultation period with "key stakeholders" in Stage 2 of the review process.3. A full listing of all the "key stakeholders" or "stakeholders" the Department consulted with during Stage 2 of the review process, which occurred in the weeks prior and leading up to the opening of Stage 3 (the stakeholder submission period). These powerful vested interests should not be able to maintain a cloak of secrecy around their advocacy to the Department, thereby avoiding the need to make public submissions and thus avoiding any public scrutiny of the evidence and reasoning they presented to the Department.

MR18/00753	<p>My FOI data request regards both successful and unsuccessful ARC Discovery Project applications during 2001-2017 in the general area of economics that belong to ANZSRC Division 14 or ASRC Division 340000. The specific data that I would like to request is outlined below:</p> <ol style="list-style-type: none">1. For rejected applications I would like to ask for (a) name(s) of applicant(s), (b) university affiliation(s), (c) the title and abstract of the application, (d) the primary ASRC/ANZSRC category selected by the applicant(s), (e) the amount of funds requested, and (f) the scores given by the external reviewers (I understand that these scores changed from a numerical to an alphanumerical format in 2009).2. For accepted applications I would like to ask for (a) the requested funds (which may be different than the awarded funds) and (b) the scores given by the external reviewers.3. I understand that the names of the members of the College of Experts up to 2015 are available and sorted by discipline grouping. For 2016-18 the names are available but they are not sorted by discipline grouping. I would be grateful if I could get the members of the College of Experts for 2015-2017 sorted by discipline grouping.
