### Before making your FOI request

Do you have the correct agency?

Before you make an access request to the OAIC, please note the OAIC does not hold documents of other agencies, nor of agencies from other Australian States and Territories or other jurisdictions. We may not be the correct agency which holds the documents.

Before completing this form, please visit [Documents the OAIC does not hold](#) to ensure you have the correct agency. This page also provides guidance on how to reach the appropriate agency if needed.

If you are seeking documents held by another agency, such as police, medical, health or immigration records, you should make your request to the appropriate agency directly.
