Dear Karen

I write further to your conversation with Section 47F on Friday. We are expecting to receive the preliminary independent investigation report from KPMG shortly and would now like to arrange to meet with you to brief you further on this matter. We intend to conduct some initial analysis of the report once it is received so it would be our preference to meet early next week. Please let me know if this is suitable and we can exchange some possible times.

If you have any queries please let me know.

Kind regards
